Important Conditions Relating to Health

Medical Screening Declaration

Have you made a medical screening declaration on behalf of someone else? If you have made a medical screening declaration for any traveller on this policy, it is your responsibility to ensure that you have full knowledge of their medical conditions and can answer the questions as confidently as if you were declaring your own conditions. If you are not 100% sure, then you should check with them or request that they obtain details of all medical conditions from their GP.

Please check that you have declared your medical conditions - these are shown on the front of this Schedule of Cover. Please be aware if you fail to declare any pre-existing medical conditions or answer any questions incorrectly, this may invalidate any potential claim.
